L12 ANSWER 1 OF 10 USPATFULL

TI Absorbent structures containing thermally-bonded stiffened fibers and superabsorbent material

L12 ANSWER 2 OF 10 USPATFULL

TI Packaging material for photographic photosensitive materials and light-shielding bag formed thereof

L12 ANSWER 3 OF 10 USPATFULL

TI Absorbent structures containing stiffened fibers and superabsorbent material

L12 ANSWER 4 OF 10 USPATFULL

TI Absorbent structures containing superabsorbent material and web of wetlaid stiffened fibers

L12 ANSWER 5 OF 10 USPATFULL

TI S-shaped **detergent** laminate

L12 ANSWER 6 OF 10 USPATFULL

TI **Detergents** products

L12 ANSWER 7 OF 10 USPATFULL

TI Fabric treatment products

L12 ANSWER 8 OF 10 USPATFULL

TI Water-insoluble, water-permeable bag having a water-soluble or water-dispersable protective layer and containing a particulate **detergent** composition

L12 ANSWER 9 OF 10 USPATFULL

TI Substrate article for cleaning fabrics

L12 ANSWER 10 OF 10 USPATFULL

TI Method of and means for cleaning hair between shampoos and methods for preparing such means
